Object: Recommendation - MITTEL MGU Market Research & Consulting

Dear MITTEL team,

Nissan would like to thank you for the recent qualitative surveys we conducted together. We appreciated the quality of the moderation and of the analysis (concise yet accurate). MITTEL's qualitative team put client's needs at the centre of its priorities and made its best to reach the highest level of satisfaction.

We will be happy to work with you in the future and recommend you to your other contacts.

Best regards.

Nicolas COAT.
